ABOUT ME

A hardworking and dedicated student who is eager to develop new knowledge and practical skills with a strong willingness to embrace challenges and adapt to new environments. A positive attitude and strong sense of responsibility and the determination to contribute in school and work while continuing to learn and improve.

LEARNING GOALS

As a freshman BSIT student, my learning goal is to build a strong foundation in information technology, improve my programming skills, and prepare for a successful career in the IT field.

EDUCATION

Laguna State Polytechnic University - Sta.Cruz 2026- Present

BS Information Technology - 1C

Moreh Global Innovative College Inc.

2024-2026
